DNRO (McM) to DDNRO(HSJr)

Subj: NRO Staff Functions of the JCS Joint Reconnaissance Center

Refs [redacted] (DNRO memo of 22 Apr 63 to DDNRO)
[redacted] (DDNRO 29 Apr 63 memo to DNRO)

///proposed capability is strictly and solely an over-all NRO staff function (for JRC); it is not intended to serve as a line function or to replace the staff functions of line elements within the NRO...will not affect responsibilities presently carried out by Director Program B.....Your alternate proposal of a Director of Program E would insert a line organization into the Joint Staff, which at best would be extremely awkward, and not at all responsive to the problem.

SecDef requests final JCS/DNRO concurrence by June 10, 1963. I should like to have any further comments you may wish to make as soon as possible in order that I may conclude discussions with the Chiefs before that date.
